THE PRODUCER/PRODUCTION COMPANY IS RESPONSIBLE FOR UNDERSTANDING THE FOLLOWING...

**Frequency Television will select and schedule submitted programming at its sole discretion. It reserves the right to refuse programming based on technical standards or content that does not meet Columbia College Chicago community standards. The submitting producer/production company must attest that the program is his/her/their original work or that he/she/they has/have obtained, in writing, permission to use all copyrighted material. The producer/production company must also attest that he/she/they has/have given Frequency Television full rights to air the submitted material. Frequency Television will in return respect and protect all original copyrighted programming released by the producer/production company. The signature below states that the submitting producer/production company understands and agrees with these policies.*
